

Please let us have your opinions and comments.

Thank you very much for reading the Casio Sustainability Report 2004.

The Sustainability Report 2004 introduces the Casio Group's CSR activities in fiscal 2003, and we have tried to make easy to read and easy to understand. We believe, however, that there is still room for improvement.

Therefore we would like to solicit your respected opinions and use them in defining our future environmental management and sustainability reports. Please kindly give your frank opinions, encouragement, or even complaints in the questionnaire form and return it to the Sustainability Report Publication Committee of Casio Computer Co., Ltd. by fax to the number listed below.
