## Editorial Policy

The *Casio Corporate Report* was first published in 2006, when the previous *Corporate Social Responsibility Report*, which detailed Casio’s social contribution and environmental activities, and the previous *Corporate Profile*, which covered Casio’s business areas and main products, were combined.

The 2009 edition of the *Casio Corporate Report* is designed to promote stakeholder\* understanding of Casio’s activities from various perspectives, by reporting on initiatives in each area of operations from development and design, to procurement, production, logistics, sales, and service.

In particular, the Highlights sections focus on two topics: “Going from ‘0’ to ‘1’ to Create New Value in the Digital Camera Market” and “Defining Environmentally Innovative Craftsmanship.”

Casio values your opinions about its CSR initiatives, and treats them as guidance for the company’s future activities and reports. Please fill out the questionnaire available at the website below to let us know your opinions, impressions and expectations.
