- An independent opinion from an outside expert has been obtained and included as an objective assessment of the report overall. Third-party verification of environmental performance data has also been obtained to ensure reliability.
- This report provides the information that Casio believes stakeholders most want to know, as well as information that Casio especially wants to convey. It focuses on content with a high level of importance to both society and Casio, and gives details on those initiatives.

[Importance for society]

- Third party opinions concerning the 2013 report
- Reader opinions and requests concerning the 2013 report
- Items from questionnaires such as socially responsible investment (SRI) surveys
- Items listed in the guidelines below

[Importance for Casio]

Matters Casio regards as important based on its corporate creed, the Charter of Creativity for Casio, the Casio Common Commitment, and the Casio Group Code of Conduct

Casio has created downloadable PDF files containing information from its Sustainability site. You can print the whole thing or just the part you need.
